PROVIDING MIDDLE MARKET SERVICE TO THE SMALL BUSINESS OWNER

ProBiz Consulting specializes in working with small business owners to facilitate the sale of their businesses. We have successfully completed over 150 business sale transactions in a and highly confidential environment.

ProBiz is led by a team of successful business owners that have developed proven strategies that produce results that are normally reserved for larger companies. As you review our menu of services, you will notice that we are much more than your average "main street" business broker. ProBiz is a full service firm that offers a unique set of capabilities to better serve our client base.
